## **By entering this premises you confirm that you:**

Fully understand and appreciate the dangers, hazards, and risks inherent on a firing range, including the inherent risks associated with the use and misuse of firearms.

Acknowledge and understand that you will be voluntarily engaging in activities that involve the discharging of firearms which may result in the risk of serious injury, scarring, loss of an important bodily function, permanent disability, or death, and may cause severe social or economic losses due to not only my own actions, inaction, or negligence, but also to the action, inaction, or negligence of others or conditions of the premises or of any equipment used. Further, you acknowledge that there may be other risks not known to you or not reasonably foreseeable at this time.

Assume all the foregoing risks and accept personal responsibility for the damages following such injury, permanent disability, or death.

Release from, waive, and discharge all actions, claims, or demands that you, your assignees, heirs, guardians, and legal representatives now have or hereafter have for damage or losses on account of injury, including permanent disability and death or damage to property, caused or alleged to be caused in whole or in part by negligence or other acts. You hereby agree and covenant to save and hold harmless, indemnify, and defend any claim against Rotsvas Indoor Range and its owners, shareholders, directors, employees, or instructors, as a result of your participation in any gun-related activities and training.

Fully understand that you're giving up substantial rights by entering this premises and do so voluntarily. You agree to participate in activities on this premises knowing the risks and conditions involved and do so entirely of your own free will.
